Our Mission

The Urology Care Foundation is the world’s leading nonprofit urological health foundation – and the official foundation of the American Urological Association. We partner with physicians, researchers, healthcare professionals, patients, caregivers, families and the public to support and improve the prevention, detection and treatment of urological diseases through research and education.

Urology Care
FOUNDATION™

The Official Foundation of the American Urological Association
Grateful Giving is a way to recognize and honor the outstanding care that you or a family member received. A donation to the Urology Care Foundation, the official foundation of the American Urological Association, is a thoughtful and meaningful way to say “thank you” to your physician, nurse or staff member who provided quality care during your urologic health journey. Your gift to the Urology Care Foundation supports vital work in urologic research and patient education to improve patients’ lives.

HONOR SOMEONE WITH A DONATION TO THE UROLOGY CARE FOUNDATION

Please complete the attached form to make your tax-deductible donation. If you wish to honor a healthcare professional, please include his/her name and we will inform them of your generosity and gratitude.

WHAT YOUR GIFT WILL SUPPORT

Urologic Research
Since 1975, the Urology Care Foundation has funded more than $30 million in research to help the brightest minds conduct the best urologic research. We have given over 750 research awards that have led to better care, enhanced treatments and an improved quality of life for millions of people around the world. Your gift can support the cures of tomorrow, by funding the research in the labs today.

Patient Education
We develop and distribute current and reliable educational materials at no cost to patients, covering all urologic conditions. Our UrologyHealth extra® patient friendly magazine has a circulation of 325,200+, including distribution to nearly 50 Veteran Affairs Medical Centers. Your gift will assist the Foundation in continuing its effort to provide these free educational materials to patients and their loved ones.

WHAT WE DO

The Urology Care Foundation is committed to funding the advancement of urologic research and is the premier provider and resource for the most current, comprehensive and reliable urologic health information for patients and the public.
